

Media Impact on Thought

Date: Tuesday, September 4, 2012 5:30 p.m.

Location: Sedona Public Library

Facilitated by: Dr. Julie Piering, NAU Philosophy Department

Hot Topics Café creates a forum for civil discussion about issues of contemporary concern. Philosophical analysis and passionate engagement are the key capacities exercised by participants. **Join us to learn more about the issue**, and more about **other people and their views**. *NAU's Philosophy in the Public Interest convenes the Hot Topics Café. Philosophy in the Public Interest is nonpartisan, and does not endorse a position with respect to any issue discussed. We recognize the value of reasoned, civil discussion, and facilitate open conversations where all points of view are welcomed.*

Additional support received from NAU's Compassion Project and the McKenzie Endowment for Democracy.
